Joe's Address

Send our seminarian Christmas
tidings at the address below:

Today is the Fourth Day within the Octave of Christmas. The Feast of the Holy Family is a movable feast, assigned to the Sunday within the Octave of Christmas.

Scripture tells us practically nothing about the first years and the boyhood of the Child Jesus. All we know are the facts of the sojourn in Egypt, the return to Nazareth, and the incidents that occurred when the twelve-year-old boy accompanied his parents to Jerusalem. In her liturgy the Church hurries over this period of Christ's life with equal brevity. The general breakdown of the family, however, at the end of the past century and at the beginning of our own, prompted the popes, especially the far-sighted Leo XIII, to promote the observance of this feast with the hope that it might instill into Christian families something of the faithful love and the devoted attachment that characterize the family of Nazareth. The primary purpose of the Church in instituting and promoting this feast is to present the Holy Family as the model and exemplar of all Christian families.

—Excerpted from *With Christ Through the Year*, Rev. Bernard Strasser, O.S.B.

The Gospel is from Matthew 2:13-15; 19-23. During this holy season of Christmas, Jesus Mary and Joseph should be remembered frequently by every Christian. To help us to remember them and above all to strive to imitate them, the Church has dedicated this Sunday to the memory of the Holy Family. Although they were God's closest friends, and although they were the holiest family that ever lived, or ever will live, on earth, they had more than their share of this world's troubles and cares. Today's Gospel story tells us of some of these earthly woes and sufferings. They had just settled in Bethlehem, and the Baby Jesus was only a few months old when, to avoid his murder at the hands of the murderous and jealous Herod, they had to flee from Bethlehem and become displaced persons in a foreign and pagan land.

The message of today's Gospel story is a message of encouragement and consolation for every one of us. If the Holy Family suffered such trials and hardships, surely we should be ready and willing to suffer and bear with the trials that God sends us for our own eternal welfare.

St. Patrick Church takes seriously this 'VIRTUS' pursuit of excellence in our community. With the Diocese of Wheeling-Charleston, we are committed to making every environment – a safe environment. All employees and volunteers are required to complete VIRTUS Training. Participants of this training complete short video modules to learn how to best protect the vulnerable in our community. These short sessions empower participants to accurately identify and correctly report all instances of suspected child abuse. To create or update your account, please go to virtusonline.org.

Thank You

This year, we were able to give out 29 food boxes, serving a total of 95 people thanks to your generous donations. Many of the people we help are older people who often get overlooked.

We also wish to give a very heartfelt thank you to everyone who helped make our Christmas liturgies so beautiful and welcoming.

Thank you for your generosity!

Give the Gift of Music

WARM GREETINGS!

I am writing a more detailed explanation about the pipe organ rebuilding to the congregation of Saint Patrick Church because a very generous parishioner has made an offer to match dollar for dollar contributions dedicated to paying off the organ fund loan. I have also included photos of the organ which most people cannot normally see.

The Organ Console

Upon my arrival in 2019, it became immediately evident that the organ at St Patrick's Church was in need of a complete overhaul because many notes were not working and many components of the instrument were in beginning to mid stages of failure.

The organ was installed in the early 1950s by the M.P. Moller organ Company of Hagerstown Maryland. The relatively small instrument had six ranks of pipes and approximately 400 pipes spread over two keyboards and a pedal board. No information of the previous organ is known which serve the church until 1952.

The Organ Wind Chest

St Patrick's Church reviewed three different bids from different organ companies and then settled on a bid from the late Al Sterner and Walker Technical Company to rebuild the mechanism of the current pipe organ as well as adding a new three manual organ console with digital controls and new digital stops (sounds) to expand the tonal range and capability of the organ. After several delays and

the death of the original contractor Al Sterner, the organ was completed on Saint Patrick's Day in 2020 ironically the day the church was closed because of the lockdowns occurring throughout the country. The organ rebuilding was completed by Mr. Ray Colby in conjunction with the Walker Technical Company.

Plans to have a dedication concert and blessing by the bishop were canceled because of the uncertainty of the lockdowns in 2020. And so, a proper dedication and a thank you to the parishioners who contributed to the organ never took place. It is the intention however to have a proper blessing and dedication of the organ.

It is my hope that generous contributions will continue to come in to pay off the organ loan completely. This can be done very easily because of the current dollar for dollar match. This will also allow the pastor to then address other pressing concerns within the parish such as the replacement of the boiler which heats the church and the school.

The Organ Pipes

Thank you for all who have already contributed. St Patrick's Church is blessed now to have a beautiful pipe organ which will continue to sing God's praises and elevate voices in Sacred Music.
